Summer BBQ

Over 200 clients, associates and friends came out on Friday, August 24th for the annual Summer BBQ. Visitors had lunch, took tours of the office and shop area and the kids had a chance to take a bounce in our rented Jumpy Thing. The weather cooperated beautifully and everyone had an enjoyable time soaking in the summer sun. Check out the pictures on our website!

Arc Flash Protection

Azim Vira was in Blackfalds, AB on Sept. 8/07 giving an arc flash protection presentation to the Electrical Inspectors Association of Alberta. The Association is currently looking for new members. Please visit their website for more information, www.eiaa2004.com.

If you would be interested in an arc flash presentation for your organization, contact Orbis for more information.

Orbis Engineering was pleased to have been a signature sponsor in the Aga Khan Foundation's World Partnership Golf Tournament . We would like to thank the 30 golfers, including clients and staff, that took part in the tournament on Orbis' behalf. The tournament is a major fundraiser for the foundation, this year raising a record \$350,000. The money raised is used to support health, education, and rural development programs in poor communities in Asia and Africa. If you would like to know more about the Aga Khan Foundation please visit WPG online at www.worldpartnershipgolf.com.
